

WTV are a HGV / LCV and Trailer specialist supporting our customers with the highest levels of customer care and support from our dedicated workshops in Warrington Cheshire.

Due to business development and rapid growth, we are looking for qualified Technicians to join our company.

If you are a time served experienced HGV Technician with an industry recognised qualification this, could be the career change for you.

HGV technician:

- Carry out services on a wide selection of HGV and LCV vehicles and trailers to VOSA standards.
- Service vehicles in line with industry and manufacturer recommendations
- Diagnosis of faults and rectification.
- Complete all appropriate paperwork in a timely and efficient manner.
- Can do approach
- Organised and efficient
- HGV 1 or 2 licence desired but not essential
- Attend disabled vehicles at customers sites or roadside as needed

What we offer:

- Competitive hourly rates
- Overtime available at enhanced rates
- 20 days holiday
- Additional days holiday for each year worked to a maximum of 25 days
- Contributory pension scheme after qualifying period
- Working as part of a friendly and forward-thinking team
- Training to support your development including HGV licence
- Opportunities to progress for the right person
